# REFLECTIONS

Dreaming days of youth  
Flowers filled the air  
Yet beneath the flowers  
Lay the dirt, hard and bare.

Happy days of freedom,  
Spent beneath the sun,  
Yet standing alone by the shore  
When the day was done.

Running through the fields;  
Laughing at the sky;  
The beauty in today,  
Yet still some would cry.

And I look into the ocean  
I look into the sea  
I look into your eyes  
And therein lies the key.

We dream of tomorrow  
Reminisce of yesterday  
As yet we must know  
When there's nothing left to say,

That what we had yesterday  
As special as it was  
Will never again be  
And we change what once we loved.

And as we open the book,  
And as we turn each page,  
We realize frozen youth  
Cannot replace wisdomed age.

There are many acquaintances in your life, but not enough real true friends.

I don't know if I will miss this school until I leave for good, but it feels great to leave. Silca, Baseball — 1, 2, 3, 4 Friends: CD, DD, DW, Boger, EG, WC, AT, BK, RW, DF, JR, Van. Future plans — going to college to lead a great life. I hope all of your lives are as good as mine will be. Good Luck. Peace is the way in life, lead and it will lead you. The world I go into is a hard place, to make mistakes and to learn from them, but overall, it will all fall into place. I love you Kirsten Heller. Summer of 1989. Good-bye BHS. Children are good dreams, follow your dreams and you will succeed.

Fear is merely a fail safe for one's own weaknesses

Most people will remember me as the Star Trek fan, but in this statement I would like to remind the class of '90 that I have other interests. My main interest is in writing. At the moment I'm working on a short film parody of Star Trek V entitled *Star Shlek* with James W. Cormier. As a career I am planning on going into print journalism and hope to be an author on the side.

Finally, I leave you with this piece of wisdom to decipher: — A man who finds himself in an empty room . . . is alone.

### PLEASE BE STILL, AND HIDE YOUR MADNESS IN A JAR

The wall on which the prophets wrote is cracking at the seams.  
Upon the instruments of death  
The sunlight brightly gleams.  
When every man is torn apart  
With nightmares and with dreams,  
Will no one lay the laurel wreath  
As silence drowns the screams.

Between the iron gates of fate,  
The seeds of time were sown,  
And watered by the deeds of those  
Who know and who are known;  
Knowledge is a deadly friend  
When no one sets the rules.  
The fate of all mankind I see  
Is in the hands of fools.

Confusion will be my epitaph.  
As I crawl a cracked and broken path  
If we make it we can all sit back and  
laugh.  
But I fear tomorrow I'll be crying.  
— KING CRIMSON.

Emancipate yourself from mental slavery, none but ourselves can free our minds. — Bob Marley

"What he once gained for the flock, he now gained for himself . . . he learned to fly . . . Jonathan Seagull discovered that boredom and fear and anger are the reasons that a gull's life is so short, and with these gone from his thoughts he lived a long fine life indeed . . . he took one last look across the sky, across that magnificent silver land where he had learned so much. 'I'm ready,' he said at last. And Jonathan Livingston Seagull rose with the two starbright gulls to disappear into a perfect dark sky." — Jon.Liv. Seagull: I love you G,E,&N. # IN MEMORY OF TODD CHAMBERLAIN

So I am glad-not that my  
friend has gone.  
But that the earth he loved and  
lived upon

Was my earth too.

That I had known and closely  
loved him.

And that my love I'd shown.  
Tears over his departure? Nay-  
A smile that I had walked with  
him a little while.

The Neck

The Barnacle

"Hey! What did you do this weekend?" is a question most BHS'ers are bombarded with every Monday morning. For many it was an active two days of party trains from one jaunt to another. Often it's started with meeting place like Burger King (the Lounge) and a bite to eat. Thus began a fun-filled evening of logging over 50 miles on one's car from Huckins Neck to the swamp; from the Cotuit, Barnstable, and Hyannis pits to Oregon, Long and Craigville Beaches. (That is, if the police hadn't arrived there ahead of you.) Perhaps this wasn't quite your style; there were many other things to do. Mini-golf at Pirates' Cove, Steve and Sue's or maybe Main Street Mini-Golf, an ice cream at Ben and Jerry's and a walk down the strip is what you were up for.

"Hanging out" was one of the things we at BHS did quite well on the whole. Just look at all the places we went: Mister Donut's, the mall, the cafe, Mickey Dee's, the quad, trips to Boston, and the library, to name a few.

Along with kids usually comes food; we also are very well. From Pizza One Subs Two, to Tiki Port, we had quite a choice. Now we must leave BHS for a last summer of dancing at the Kasbar, basking on the beaches and cruising Main Street. Soon we are off to exciting futures with new lingo to learn and hangouts to find. "See ya."

A little dancing maybe?

All the kids will be there too: Ryan Family Amusements

The warm weather has arrived and the students of BHS are anxious for the end of the school year. The Melody Tent is raised and college students flock from all over to earn extra money. Summer in Barnstable has begun. The Figawi Race begins once again from the Hyannis Yacht Club and families take vacations. The nightlife can range from going to Great Woods, the Kasbar or the Summer Family Theatre, to playing mini-golf or just hanging out at a friend's house.

July brings the colors and noises created by the Fourth of July fireworks. If you're not working, you might be seen at beaches such as Craigville, Long Beach, Dowses, or at the point on Sandy Neck. The blistering hot sun might make you want to go to Four Seas for a refreshing ice cream cone. The annual shark tournament, as well as the Seaside Endurance and Sprint triathlons add adventure and excitement for spectators and participants alike. Many students call in sick to work and take day excursions to Nauset and Cahoon Hollow Beaches and the Beachcomber. When night falls over Hyannis, cruising down Main Street with whatever car you may have is always a favorite pastime. Great Woods continues to attract thousands from all across Massachusetts for the Reggae Sunsplash, Whitesnake and Jimmy Buffet.

When the lazy days of August roll around, many students dread the thought of school again. Yet, such thoughts are soon pushed out of their minds when the Nantucket Jam approaches and sleepless nights are spent aboard the Hy-Line's fleets. Also, the Hyannis Street Festival gives way to summer shopping and music in the streets. The annual running of the Falmouth Road Race signifies that summer is over. Many kids begin to come back down to earth, as groups of friends have their farewell cookouts to say their goodbyes.

All that is left by Labor Day are the memories of summers gone by and the dream of next summer and its many new adventures.

Tiki Port take out for that familiar empty feeling.

Hot or Mild?

Something you look forward to at age 21

A familiar trip

In the 1980's prices have been going up and up. To fill up your car with gas costs about \$15.00 to \$20.00, depending on whether or not you use diesel. In fact diesel hit a high of \$1.59 a gallon this past winter. If you are looking for somewhere to go in your gassed up car, how about the movies? Since Hoyt bought Airport Cinema the ticket price has skyrocketed to \$6.50. The popcorn and candy cost about \$2.00 to \$3.00. After the movies you can go out to dinner. If you hit a fast food place you'll drop between \$2.00 and \$5.00 for a burger, fries, and a drink. If you want less greased down food, Starbucks or Chilis will cost about \$10.00 to \$15.00 for you and a friend. Not hungry you say? A candy bar or gum costs about 50 cents. To wash it down you can grab a can of Coke for 65 cents or a Soho for 95 cents. Another teenage investment would have to be tapes and compact discs. Tapes run about \$8.00, while cd's cost about \$16.00. Under investments would have to be the junior prom tickets which cost a whopping \$50.00 per couple. We can only hope when we come back to our tenth year reunion the tickets won't be \$200.00.

As students here at BHS we've molded our lives to this school's daily routine as well as changed the high school to suit our own needs and preferences. After graduation we'll remember only a few things about the days at BHS-and forget the rest. Below are some trivial things that are/were a part of you and your four unforgettable/forgettable years at Barnstable High School.

Sporks- "you can't use it as a fork or a spoon-so what's the purpose?"...the sit-in...Quad-tans...no more gym...free periods-caf or library...student parking...school store sales(ooh, the crowds)...Insight...Echo weekends...no heat(except in the front offices)...having homeroom first period...the attendance policy...down with sporks...guidance-"One simple question: What do you want to do with the rest of your life?"...detention...sports bus..."Who's driving?"...gas money...trying to walk down the science wing after third period...vandalism...no wall-ball...school plays...no Mr. BHS...budget cut proposals..."Anyone have any money I can borrow?"...cutting the caf line..."Do you have a pass?"...thick bathroom smoke...hockey games...the school song(Yes, we have one!)...no parade...indoor pep rally...Thanksgiving day games(Beat Falmouth!)...Homecoming...no open campus...the bells are off...substitutes...freshman hostage day...GRADUATION!!!

# ACTIVITIES

# Separated At Birth

Sixties flashback Tom Gilmartin and introspective Irish singer/poet Bono.

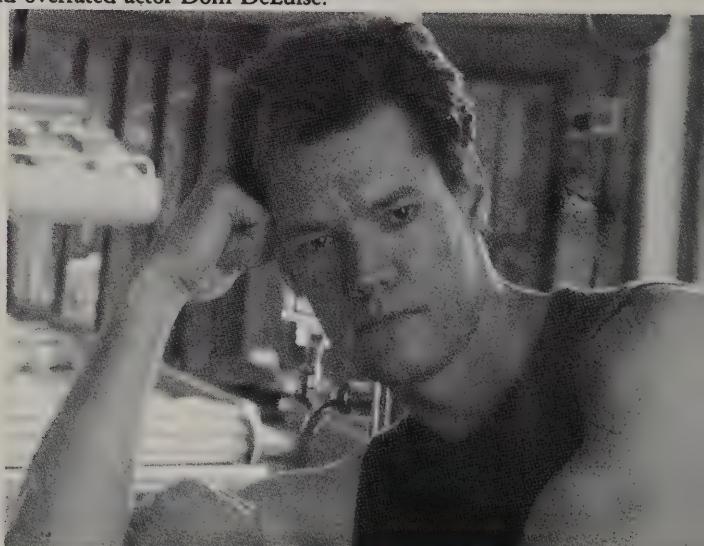

First lady of social studies Mrs. Lawson and first lady of soul Aretha Franklin.

Overworked dean J.R. Ruberti and overrated actor Dom DeLuise.

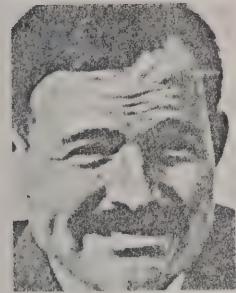

Dreamy BHS senior Adam Rhude and steamy country/western crooner Randy Travis.

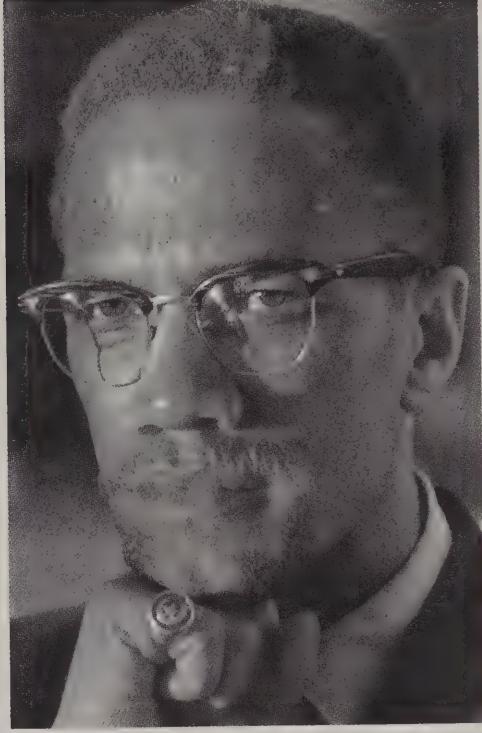

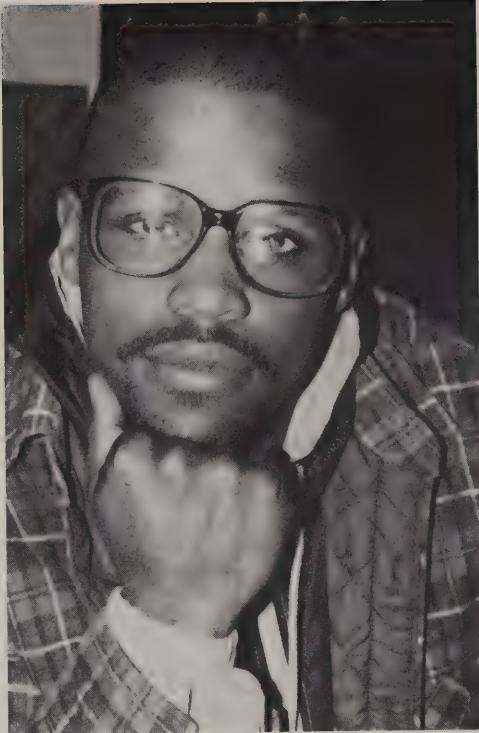

Lawyer cum gadfly Russ Fales and researcher of fruit-flies Bob Schwalberg

Thirtyish teacher Mr. Rice and thirties writer Ernest Hemingway

Goateed senior Chris D. and goateed leader Malcolm X.

Bramble-haired rocker Sammy Hagar and bramble-haired VW driver Kathy Kaess.

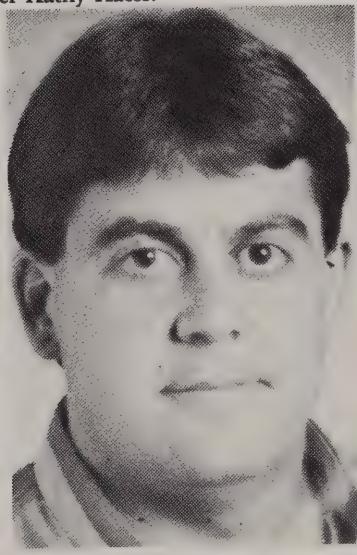

College-bound Dave Rheingold and muscle-bound Lou Ferrigno.

ACES honey bear Mr. Linehan and NBC funny man David Letterman.

Unknown mustachioed reveler and barely known mustachioed Mr. O'Toole.

Comical young teacher "Spanky" Demanche and cute young comic "Spanky" McFarland.

Just a bunch of yearbook geeks.

You don't want to see their faces anyway...

I would just like to thank everyone who participated in the creation of this book. The yearbook staff was great this year. I'm sure we'll all remember "Crop on . . . Crop Off . . . The Cropper," Mr. O'Toole's prom stories, and stories in general, the pizza parties, and sleeping at school to get deadlines finished. I would also like to thank Frank Finn, Mrs. Germani, Bill Clarke (our yearbook photographer) and anyone else who donated pictures to Barnacle. I hope this is a yearbook you can all be proud of and enjoy. The class of 1990 was crazy and I'm sure this book is a "reflection" of that.

# HOMECOMING 89

Mark, looking really happy.

Chumly, Cheese, Peter, Mark.

Go Dougie Fresh.

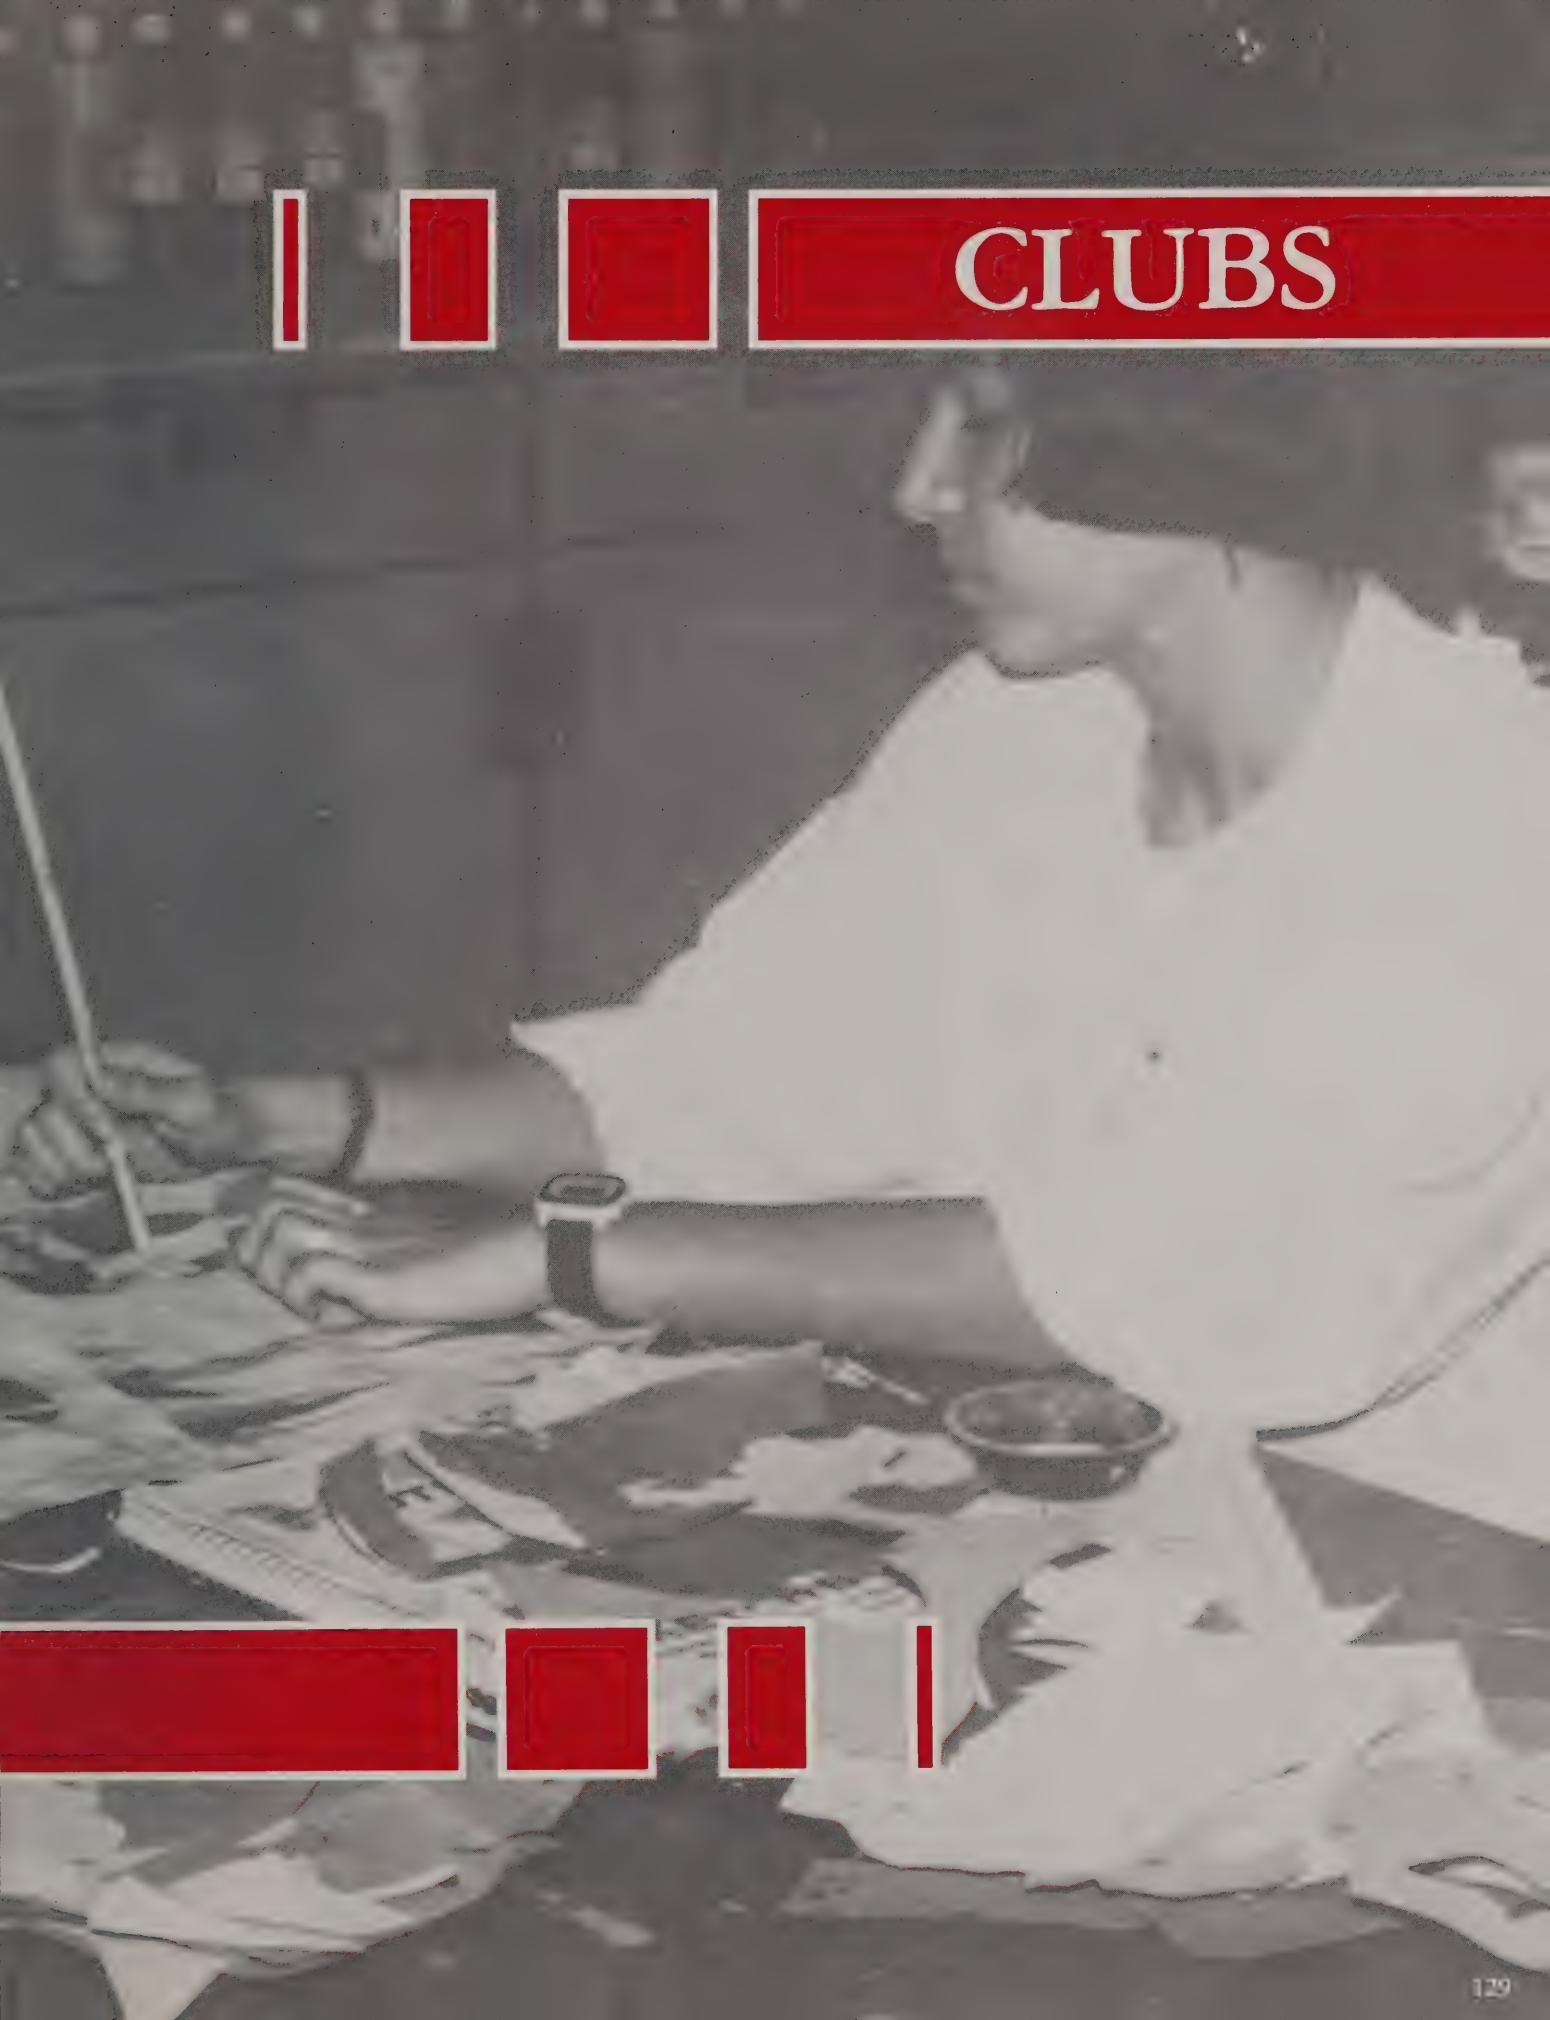

What beautiful lamps.

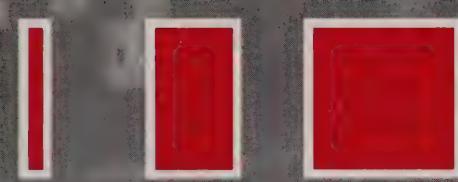

Melissa high-fivin' it.

Four years is a long time to wait for a win in an intense high school rivalry, but the Barnstable football team's hard work was finally rewarded in a spectacular 12-7 come-from-behind victory over Falmouth in the 1989 season finale. It was a happy ending for the seniors, who finished with a record of 5-5.

"I hope the seniors realize that the hard work and dedication they put in throughout the season were not only beneficial during football, but will be an asset to them throughout their lives," said first-year head coach Paul "Spanky" Demanche, who took over the position after Mark Titus resigned.

A strong defense, anchored by senior nose guard Chris Carstensen, paved the way for the Red Raiders all year. It kept them in every game: Barnstable never trailed by more than two touchdowns. Against league champ New Bedford (9-1), the Raiders relinquished only 12 points to a powerful Whaler backfield.

"I think that's something that the team can be proud of- that we were competitive, even though our won-loss record doesn't indicate it" said Demanche. "Teams didn't just show up each week expecting to chalk down a win on their schedules. They prepared for us."

The team showed spirit and poise in the season opener against Silver Lake. The Raiders, who were trailing 14-0 going into the fourth quarter, scored three touchdowns to come back for an astonishing 20-14 victory.

Throughout the year, junior quarterback Josh Conroy ran the ball out of a wishbone formation behind a massive line of Chris Joyce, Kurt Welling, Jamie Enos, Chris Colebourn, and John Fields. He often handed off to his halfback Mark Germani or fullback Jamie Chase, and his favorite targets in the air were Greg Dowling and John McCartin.

The rest of the season, unfortunately, wasn't quite so successful as the opener. Many key Raider players went down to injuries, including center Jason Sawyer, guard Tod Smith, halfback John Lampert and halfback Ian Parent. The offense just couldn't generate any spark against Somerset, New Bedford and Dartmouth. And there were also several heartbreaking losses, including the homecoming game against Bishop Feehan.

In the end, however, the Raiders earned a well deserved victory over Falmouth in a game postponed after a snowstorm on Thanksgiving. The muddy showdown at Guv Fuller Field may have been the last time the seniors suited up, but it was the first varsity triumph they would ever have over their arch-rivals.

"This season was such a pleasurable one for me," said coach Heather Rogorzenski of the 1989 field hockey season. "The dedication of this year's team is hard to come by" she added.

With hard work and high spirits, the 1989 field hockey team turned their league record around from a disappointing 2-10-2 to a respectable 6-5-3. The girls started the season strong, as they were unscorched upon in their first four outings. They went on to beat Falmouth and New Bedford in memorable games. Hopes of reaching the state tournament ended late in the season with a heart-breaking loss to Attleboro.

Cindy Lopes, Kim Madden and Holly Meehan led the team in scoring with Cindy, Kim and standout midfielder Jill Jenkins shining as SMC All-Stars. Next year it will be a time for the young talents to overcome the loss of their senior teammates and reach for the top.

The 1989 soccer team set out to achieve three goals: a winning season, a berth in the state tournament, and overall improvement over last year's season. Measured by those standards, the team did quite well. With a hard-fought win against Durfee and an outstanding homecoming victory over Falmouth, the Red Raiders qualified for the state tournament and gave notice of the improvement in their game.

Much of the success rested on the excellent leadership of senior captains Matt Smith and Seth Hazard. With excellent performances from goalies Pat Clark and Most Improved Player Scott Pyy, the Raider defense was exceptionally strong.

Great performances throughout the year came from leading scorer Adam Vanderhoef and team MVP Jeff Strada. Adam, Jeff and Scott Mullin were named SMC All-Stars. Jeff Strada was also selected for the Eastern Massachusetts All-Star Team, an honor he shared with only three other players in BHS history.

The desire to work toward team goals and benefit as individuals will continue under the leadership of 1990 Captains Scott Mullin, Tom Antis, and Jeff Cazeault.

Since this was their first season together, the girls were in for a tough time. At first it may have seemed frustrating for them, but the way the girls came together and supported one another was simply amazing. Practices started late in August and were held everyday at the sixth grade school. Roy Cowing served as coach and Elizabeth Bock as assistant coach; they were aided by team captains Jen Parkas and Mo Baldasaro. Noreen Graveline, the only senior, was an outstanding asset to the team. Wendy Lejava, Jill Spinney, Amanda Willius, and Melissa Scanlon were also important players who helped make the team a success. New Bedford, Falmouth, and Dartmouth were the girls' toughest opponents, especially early in the season. However the girls closed with a rush, beating Durfee 1-0 and tying Dartmouth 1-1, a tie that kept the Indians out of the tournament and boosted the Raiders' team confidence. Congratulations to Jen Parkas-SMC All-Star and to all the players for their success and hard work this season. Victory awaits!

# GIRLS CROSS COUNTRY

Above, front: Becky Curtis, Cathy Lohse, Pam Motkyka; Back: Coach Don Smith, Laura Marrow, Carrie Klotz, Kelly Glydon

"As a team, we declared it a successful season after achieving a high percentage of our pre-season goal: to have every runner finish every race, to go all out each meet, to have everyone complete the season, to be injury-free and to have opponents respect us," stated coach Don Smith.

The team consisted of only seven runners. They were short-handed because a majority of the runners had graduated last year. Carrie Klotz was named an SMC All-Star in the spring and followed that by being named SMC All-Star and a Cape and Islands League All-Star in the 1989 cross country season. Carrie also earned eighth all time on the home course for Barnstable girls and then moved to sixth on the strength of a 21:11 time against Falmouth.

Only two veterans came back this year: junior Laura Marrow and senior Cathy Lohse. Laura has been running cross country races since freshman year, and she still has more to look forward to next year. As for Cathy, she had some difficulty in the middle of the season. Due to injuries and illness she was out for a month. Still, she came back without any practice and placed in the top ten against Somerset.

Newcomers included Anna Ing, who never played a sport in her life, sophomores Kelly Glydon and Pam Motuku, and Becky Curtis, the only freshman.

Kelly Glydon improved as the season went on. Even though she had a hip injury she learned to overcome it and she went on to the front of the pack. As soon as everything was going fine, she had to end the season with pneumonia.

Becky Curtis, on the other hand, showed a major improvement and the team hopes to have her again next season along with Anna and Pam. With the loss of only one senior next year looks very promising.

Catherine Lohse

The veterans and newcomers, eleven in all, including six freshmen, had positive attitudes and commitment, so the building of a new, winning tradition goes on in boys track.

The team was paced by Jamie Glydon and Jon Way. Jamie won All-Star honors in the SMC and Cape and Islands, while Jon earned Honorable Mention as a Cape and Islands All-Star and was one of the top freshmen in the SMC.

Major contributions were made all season long by veteran Brian O'Neil and newcomer Chris Markoski. Chris joined the team three weeks into the season and quickly rose to the top. Shane Bassett and Karl Johnson, both sophomores, and freshmen Danny Souza and Chris Driscoll formed the middle of the pack. Latecomers to the team were freshmen David Scarpato and Peter Buckler. Jay Wiseman, another freshman, and the two late-comers showed great effort. Senior JoJo Grover was unable to complete the season due to injuries.

Jamie Glydon had some outstanding efforts as the season progressed. He took over sixth place all-time on the home course with a 17:01 time against Falmouth. Jon took a first in the Freshman Boys at the Somerset Invitational.

The team reached many of their pre-season goals. The team worked together and improved their standing from tenth in 1988 to seventh in 1989, reaching a goal set in pre-season.

All in all, if the team can stay together and work hard, it may start winning dual meets, move up in conference standings and also challenge Falmouth. Best of luck in the 1990 season!

After a 5-11 record in 1988, the volleyball team hungered for success. The 1990 season turned out to be tremendous because the girls were striving for greatness.

"I didn't expect anything like this," remarked junior Stephanie Zarum. Second year coach Tom Turco reiterated, "If you have a positive attitude, then positive things will happen." The volleyball team did take on a more positive attitude and as a result soared to a 20-2 record and the SMC-II title. Senior tri-captains Kerrie McCartin, Lisa Sacchetti and Dawn Wilbur paved the way. "Kerrie is an outstanding backrow player," said Coach Turco. She ended the season with 293 digs. "Lisa is an excellent setter; she kept everyone together." Dawn led the offense with 127 kills this season, a school record. Junior Alex Chasson led the defense with 66 blocks. Liz Harding, in her first year of volleyball, rounded out the roster as the fourth dedicated senior.

Four players from the 89 Raider volleyball team were named to the SMC-II All-Star team. Dawn Wilbur was also selected to the Boston Globe All-Scholastic Second Team and the Boston Herald's First Team.

For the past two years, the girls have won first place trophies in the spring competitions. An exciting addition to the winter squad were seniors John Lomba and Dave Rojas, who were involved in the stunts. With their upbeat rhythm and enthusiastic cheers, the boys added a great deal of pep to the squad. She was selected as a junior to the SMC-I All-Star Team and a sure return to the All-Star Team this 89-90 season. Junior Co-Captain Tracy Jenkins, as well as other juniors Sarah Bishopric, Allison Schiffman and Stephanie Zarum round out the varsity starting lineup. Sophomores Mo Baldasaro, Jen Parkas, and Sharon Sexton provide strength off the bench and a great promise for the future! This year's ice hockey team had a tough act to follow. After an impressive 17-3-2 campaign in 1989, the Raiders came back in force to vie for the Southeastern Massachusetts Conference title in 1990.

"This was a young team but a seasoned team," noted head coach Pete Melchiono. "It was also a talented team, but one that needed constant prodding to play as well as possible."

"One highlight of the season was the discipline and hard work displayed in the first Falmouth game," said Melchiono. That game was staged at the Kennedy Rink in Hyannis on Saturday, January 5. It began like a traditional Barnstable-Falmouth game, with high intensity and aggressiveness, but the Raiders skated off the ice after three periods with an 8-0 blowout of their arch-rivals.

The scoring came mainly from two strong front lines, which included Bobby Kelley, Marc Dorrer, Ryan O'Neil, Mike Rogers, Luke Murphy, and Ben Smith. A powerful defensive unit anchored by C.B. Aguiar and goalie John Sabo blocked any shots that got through.

The '89-'90 Red Raiders won the SMC Championship, set a new single season scoring record at Barnstable High School, were undefeated in the SMC, and closed the season with an outstanding record of 17-2-1.

Melchiono's final words of wisdom to the team extend beyond the hockey arena: "Remember, improvement is not automatic. It only comes with recognition and hard work."

Athletes huffing and puffing in the dry air. Feet pounding along the tile floors. Complaints of aches and pains from doing a mile warm up. "Never ending" stretching exercises for the team and specific training for particular events. These are just some of the sights and sounds the winter track team is seen performing every year from November until the end of February.

Coach Don Smith expected that the boys team would be dominated by sophomores, while the girls team would see contributions from every class. He feels the larger group will add greater diversity to the entire team. Smith stated that the weight training program would continue to expand because so many of the athletes improved as a result of it.

All of the coaches have felt frustration with the lack of practice space due to the reconstruction of the field house. They feel this affected the performance of the team in their first two meets. Smith said, "Besides this negative aspect, the team has a good attitude and is willing to practice their specific events at any hour of the day."

Smith gave special recognition to sophomores Jay Boyne, Kelly Glydon and Jen Moriarty for excellence. The trio broke the previous boys and girls school high jump records.

Coach Smith, along with assistant coaches Carvalho and Divino, stated that their goal for this season was to build a tradition within the team, one that will make a strong impact in future seasons.

Although it is not a highly publicized sport at BHS, gymnastics is a successful sport. The season runs from December to March and, with captains Terry Lewis and Rita Davis, the season looks to be promising. Because the floor in the gym has yet to be completed, the team has had to practice in a gym in Mashpee. Towards the end of January the team is scheduled for its first home meet and we are keeping our fingers crossed for the gym to be finished. The only serious injury is Terry Lewis' ankle problem, but she is hoping for a speedy recovery. With coach Stephanie Richards and seniors Kathy Antoniou and Terry Lewis leading the team, the 1990 season should be great.

They began the season young and inexperienced and their future didn't look promising. The core of the previous season's outstanding team had graduated, but the competition remained just as tough. However, before the words "rebuilding year" could be whispered, the 1989 Red Raider baseball team began an improbable march to a fine season and a tournament berth.

Each surprising victory brought the team closer to its goal. According to Coach Boger the team really pulled together at the end of the season, finishing with an overall record of 13-9 and a league record of 7-5, good for a second place tie in the SMC's tough Division I.

Our junior year saw strong performances from several players, most notably Andy Davis and his clutch pitching and Jay Undzis' sparkling play in the outfield. Coach Boger and his team have high hopes for their continuing excellence. Boger predicted an outstanding 1990 pitching season despite the team's relative youth. Senior Scott Pyy looked hopeful: "We'll have a great season this year." Matt Cox, another senior added, "If we have a strong defense throughout the season we should go far in the state tournament."

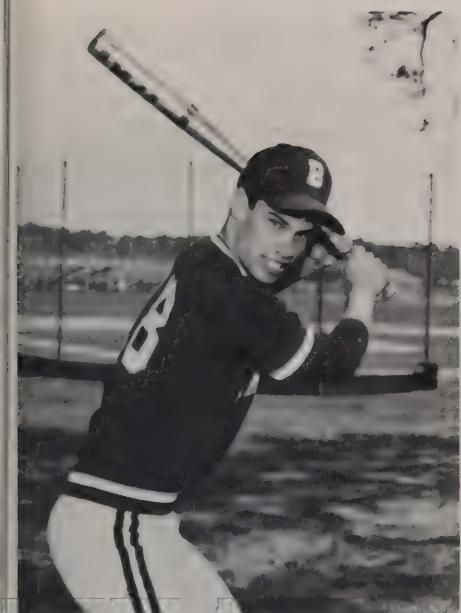

According to Coach Boger the 1990 team will be a young team composed mainly of juniors. Returning starters from last year are seniors Andy Davis and Jay Undzis and juniors John McCartin, John Moreshead and Sean Tracey. Seniors to watch this season include Davis, Pyy, Undzis, and Cox.

"A learning experience" was how Coach Spanky Demanche and his co-captains described the 1989 varsity softball season. The team went 9-11 for the year, but brought genuine excitement to the 1990 season.

Co-captain Dawn Wilbur said, "We know that we can compete against power teams like Somerset and New Bedford. We learned that in order to compete we needed to keep a positive attitude." Co-captain Kerrie McCartin expressed similar feelings: "I hoped that this season we'd not only improve our record, but also our teamwork and attitude."

Both Demanche and Wilbur expressed a need for an improvement in pitching. Fortunately there are a number of returning players who had the talent to be fine pitchers, including McCartin, Stephanie Zarum and Sharon Sexton.

Key players on the 1989 squad were co-captains Kerrie McCartin and Dawn Wilbur as well as juniors Stephanie Zarum and SMC All-Star Jill Jenkins. Demanche added that "we didn't graduate any seniors," and felt that this will be an asset to the team this spring.

Looking towards the future, Demanche had high expectations; he was counting on the team to win the league.

# GOLF

Back Row: Coach Cliggott, Duncan Macallister, Dennis Uyenoyama, Brian Macallister, Greg Locke; Front Row: John Curley, Jeff Jackson, Dave Kullas, Andrew Maher

The 1989 golf season was a notable one. In the spring of 1989 Andrew Maher, John Curley, Dave Kullas, and Jeff Jackson led Barnstable to an SMC Division 1 championship. In the SMC Division 1 Barnstable's record was 8-0; the team's overall record was 17-3. The team continued its success when Andrew Maher qualified for the state tournament and made it through the first round.

For 1990, the team looked just as promising. With four returning seniors the golf team's front line was as strong as ever, and so was the outlook for the 1990 season.

# GIRLS TENNIS

Back Row: Megan Kilroy, Kelly Bryant, Melissa Scanlon, Stephanie Celata, Coach Miles, Julie Brown, Alex Chasson, Mana Huff, Megan Kilroy  
Front Row: Francine Ciccarelli, Kathy Kaess, Stacy Collins, Liz Moloney.

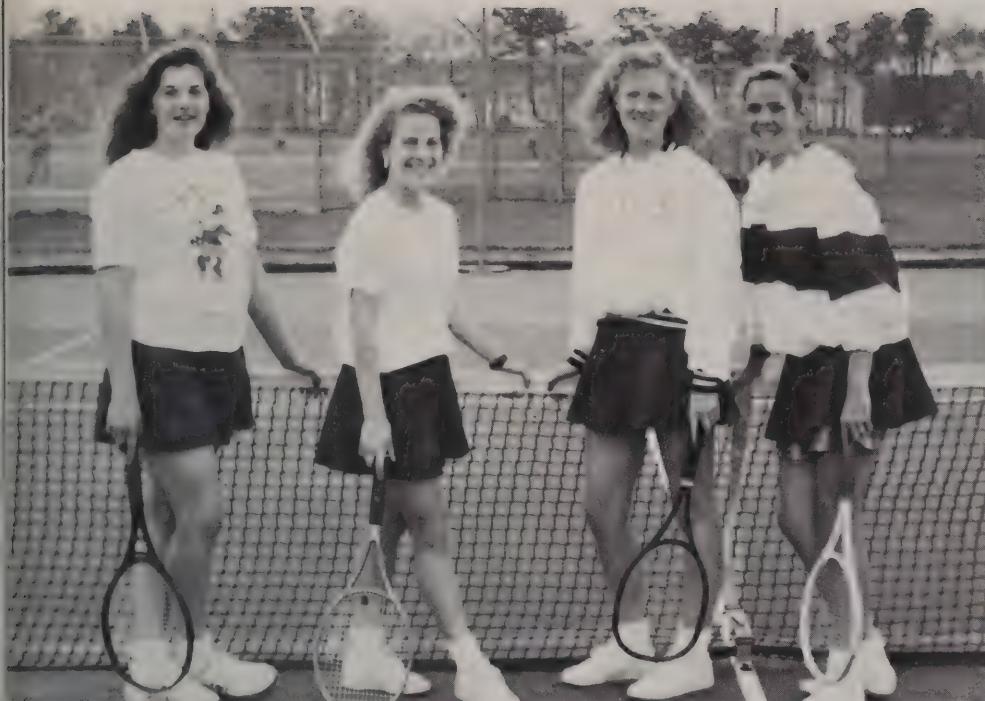

The members of the girls tennis team were in constant competition for the top spot during the 1989 season. The number one slot was held by three freshmen- Julie Brown, Katie Kiltroy and Kelly Bryant- at various times in the season. Doubles partners Stacy Collins and Kathy Kaess, and Liz Moloney and Francine Ciccarelli also turned in powerful seasons. Though the team's record could have been more impressive, coach Wayne Miles acknowledged the immense effort of his players and was very happy with the play of the entire team. This year's team will have one advantage: a number of experienced players. Seniors Kaess, Ciccarelli, Collins and Moloney were all strong players and stiff competition for the rookies who made the team.

# BOYS TENNIS

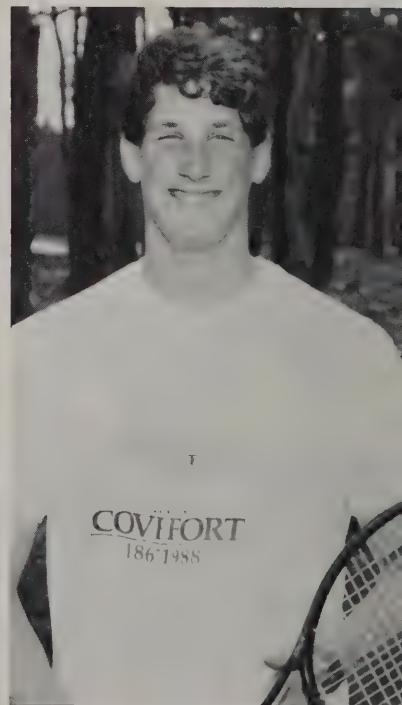

Back Row: Alex Kepnes, Chris Shrum, Alex Schaeffer, Hugh Essopen, Marc Dorrer, Mark Robinson, Coach Devonis, Tim Tweed; Front Row: T. Komenda, Mark Rapo, Willy Brown, Charlie Burger

The boys tennis team had a difficult season, but the effort was there. The record could have been better but this team is full of talented players who bounced back this year. Their biggest problem was the frequent coaching changes; with yet another new coach this season, the boys had to cope with a familiar problem. Since only two members graduated, the many returning experienced players would prove ready for the challenge. Players like Willy Brown, Mark Rapo, Alex Schaeffer, Marc Dorrer and Mark Robinson contributed to the improvement in the team's performance.

Buckley; Front: K. Donovan, M. Wool, W. Crocker, J. Crowell, M. Hayes, K. Lohse, B. Williams, A. Best

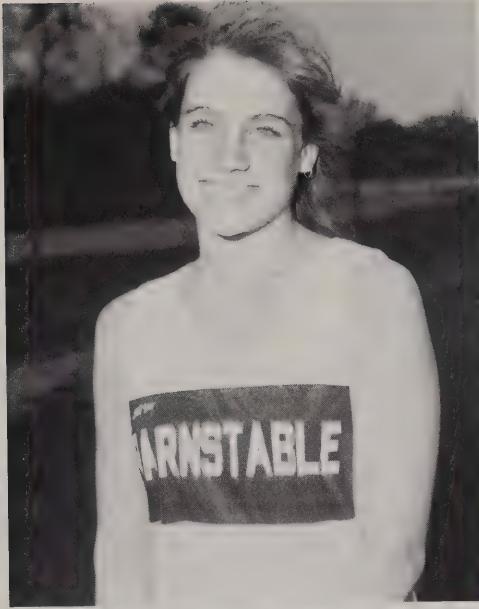

The 1989 girls spring track team once again had a strong season led by SMC All-Stars Beth Gadkowski, Carrie Klotz and Gail Fellows. Several of their teammates also had good years, led by Jeanne Crowell's personal best of 17.8 in the 100m hurdles. Alison Best notched a personal best of 6:07 in the mile, Wendy Crocker took many firsts in the 100m dash, and she also participated in jumping events and relays. Marianne Wool had a personal best of 29.6 in the 200m dash. She also participated in the 100m relay. Melanie Hayes, always smiling, participated in a myriad of events along with Bridget Williams and Kristin Donovan. Andrea Pendergast, out with injuries for the season, had a personal best of 17.9 in the 100m the year before. The team's overall record was 3-3 non-league, 1-3 league, but included in this was the second win ever over Falmouth.

Coach Linehan would like to thank the seniors for their loyalty and hard work throughout the years. He wishes them continued success in academics and athletics. Long live the spirit of chimby! Remember, never say you can't.

# BOYS SPRING TRACK

Front Row: S. Fernands, R. Maxwell, B. Schofield, C. Santos, M. Fellows, L. Musy; Middle Row: J. Glydon, P. Derosier, J. Fields, C. Colebourn, J. Grover, J. LeJava, S. On a team dominated by experienced seniors, Chris Colebourn, John Eldredge, Peter Derosier, Jeff LeJava and JoJo Grover contributed points in the shotput, discus, sprints, and relays. Cheese Colebourn was the only senior to qualify for the State Class Meet. His personal record of 120'3" in the shotput was the best thrown by a Barnstable athlete in several spring seasons. Peter Derosier was the high scorer in dual meets, amassing 25 points; Colebourn followed with 23 and Grover with eight.

The boys spring track team recorded an overall record of one win and seven losses in dual meets, the lone victory coming over Bishop Connolly by a score of 96-49.

The First Annual Decathlon revived in 1988 became the Second Annual Decathlon. Eight Red Raiders were joined by six athletes from Dennis-Yarmouth and one from Sandwich. Although neither was able to compete in all ten events, Colebourn and Grover led Barnstable with 2500 and 2295 points respectively.

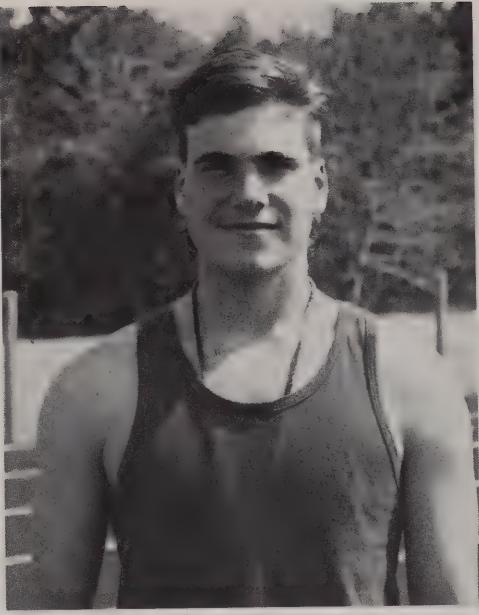

Many team members participated in the 24 hour Save The Children Relay of 89. At least one member from the combined boys and girls team was running at all times. The team completed over 864 laps (216 miles). All participating school and community members raised over \$5000 to aid the world's hungry children.

# GIRLS CREW

Front Row: Jessica Hayden, Patrick Cox; Second Row: Jen Caron, Melissa Thomforde, Laura Riedell, Becky Lowell, Allison Schiffman, Jenna Potash; Third Row : Alyse Demary, Kim Bete, Amy Gamache, Jeanine Therriault; Fourth Row: Mana Huff, Tessa Olson, Alexis Northcross, Lauren Mullaly, Stacy Cazeault; Fifth Row: Lynn Colpitts, Danielle Forsythe, Allison Spencer, Kristian Demary, Stacy Hatfield

The Barnstable Crew receives its support from the Barnstable Rowing Club, which provides them with equipment, volunteer coaches and a full schedule of fall and spring races. The crew receives no official support from BHS and raises its own funds through membership dues, annual candy sales and contributions from local businesses and residents.

The team has grown from a handful of members in '87 to its present complement of over 60 BHS students, including seniors Ivan Borowick, John Ciluzzi, Jessica Hayden, Rebecca Lowell, Laura Riedell, Melissa Thomforde and Greg Queeney. This past fall the crew enjoyed its most successful season yet. They competed in races throughout New England, including the Numerica's Cup and The Regatta in New Hampshire, in which both the men's and women's teams took home first place medals in their divisions.

The team and coaches Rick Porteus(boys), Todd Kennelly(girls) and Jane Moore(novice) had a busy spring season. Cape Cod Interscholastic Rowing Associations Sprints held at Long Pond in Brewster (vs. other local crews) and the New England Championships at Lake Quinsigamond in Worcester(vs. crews from all over state) provided exciting competition.

The varsity crew team is an extremely dedicated group of individuals. They practice at 5:30 A.M.(1st and 2nd boats), while novices practice at 3:00 in the afternoon. With so much enthusiasm and dedication, the crew team now should do nothing in the future but succeed.

# LACROSSE

Left to Right: Coach Harry Evans, Mark McWilliams, Reed Hayden, Scott Mullin, Christopher Begg, Brook Conley, Jon Shaughnessy, David L. Bob Maffey

In 1990, the Raiders Lacrosse team began its first season as a fully funded and officially recognized school sport. Recognition must go to Mr. Presbrey, Coaches Harry Evans and Lester Wade, and other interested citizens of Barnstable, who pushed the bill to turn the Barnstable Lacrosse Club into the Raiders varsity lacrosse team. As a result the 1990 season was one of special competitiveness on the part of the players.

A loss of seven starters meant that the Raiders had a tough act to follow. However, many members of this year's team, notably seniors Brook Conley and Chris Begg and juniors Scott Mullin, Ben Smith and John Kenney were vital players in last year's success. Despite the absence of many veterans, the underclassmen provided leadership and dedication.

As 1990 brought on a new decade, it also ended contests with such teams as Cape Cod Academy and Tabor Academy. The new year brought on a conference of eight teams whose skills and playing experience were far superior to ours. You could say the first year of Barnstable High School Lacrosse was a rebuilding year, but it would be more accurate to say that it was a year of successful change and the creation of a new philosophy.

Hard work, dedication, and a new group of interested players helped to make the 1990 season a success.

GOOD LUCK  
SENIORS  
FROM  
THE FRESHMAN CLASS  
OF '93

Success.

It's serious business.

It must be measured in

the quality of work and

the quality of life as well.

It is rarely accidental and

never accomplished without

great effort. It starts with

a good idea, but is ultimately

achieved through the hard work

of determined people striving

toward a common goal.

We at Software 2000

salute the Class of 1990.

are pleased to congratulate

each of you on your graduation

and we extend our sincere wishes

for your continued success

in the future.

Best Wishes Class of 90

Mr. & Mrs. Roland Hicks

Each day of our lives is a journey.  
We know where it begins, but we cannot  
know where it will end. All that  
we have to guide us through the  
hours and the distance of our  
travels is the attitude with  
which we begin.

To our precious daughter, Danielle  
Lepri, we wish you love, health,  
and happiness as you begin your  
journey.

Congratulations and much love,  
Mom & Dad

I asked God for strength,  
that I might achieve,  
I was made weak, that I might  
learn humbly to obey.  
I asked for health, that I might  
do greater things,  
I was given infirmity, that I  
might do better things.  
I asked for riches, that I might be  
happy, I was given poverty that  
I might be wise.  
I asked for power that I might  
have the praise of men,  
I was given weakness, that I  
might feel the need of God.  
I asked for all things, that I  
might enjoy life,  
I was given life, that I might  
enjoy all things.  
I got nothing that I asked for  
but everything I had hoped for.  
Almost despite myself, my  
unspoken prayers were  
answered.  
I am among all men  
most richly blessed.
